Workshop

Information

Title of Session	What to expect	Room
Intercultural Communication & Competencies	The session will consider the meaning of 'intercultural' and 'communication', what happens when communication breaks down - and how this might be avoided or remedied. This session will also explore the key features which make an effective intercultural communicator.	Banqueting Hall
Networking as a Creative	An interactive session on networking: <ul style="list-style-type: none">• What do we mean by networking• What's the goal• What the impact can be• Tips and support in how to integrate it into your everyday practice of being a creative	Billiards Room
Voices of Change	This session will be showcasing the transformative power of collaborating with students and Changemakers on academic-led projects. This presentation highlights an innovative initiative that explores the awarding gap and student attainment through the lens of student experiences.	Green Room

Workshop

Information

Title of Session	What to expect	Room
Get the most from Adobe Express	<p>This session will explore an overview of digital skills through Adobe Express such as images, documents, presentations, short videos, Gen AI.</p> <p>There will be a demonstration showing how to create, collaborate on and share any materials in a quick and creative way – social media, posters, leaflets, videos and presentations.</p>	Banqueting Hall
Leveraging your rep experience for your career & practice	<p>This interactive session will help you draw out the value of your rep experience and find ways to communicate that effectively. Whether that's through your CV, job interviews, project pitches or wherever you might be networking or talking about your work or practice.</p>	Billiards Room
A quick guide to decolonise your course	<p>Explore the idea of what decolonising means within your student experience and curriculum contexts.</p> <p>Receive useful tools to address the systems on their course and college for social change (on their local level).</p> <p>Develop solidarity and empathy for others.</p>	Green Room

Purpose of the

Rep Conference 2025

The Rep Conference invites School Reps and Course Reps to take part in an **exclusive event** which aims to provide an **enrichment opportunity** to you as Reps in which you can hear from professionals across UAL, Arts SU and external providers.

The conference is intended to **empower** you by providing you sessions on **academic issues, building skills** relating to employability, and allowing you to **network** with other Reps.

Why?

We responded to your Student Leader Survey Results

Employability skills

Advice on using your Course Rep experience in job applications and interviews

Careers UAL
Rep Specific

Increased chances to network with other Course Rep at UAL.

Meet other Reps
and network
