

Feedback Form

Please use this template to create either a SurveyMonkey, Microsoft form or paper feedback form to engage students on your course.

The more specific the questions are the better, make them relevant to your course.

It's important to not overwhelm students with questions. This feedback form is suggested guide. If you would like to tailor questions to be more relevant to your course, please do.

 Theme: Assessment and Feedback
Question: <i>Do tutors provide timely feedback on your work?</i>
Response:

 Theme: Assessment and Feedback
Question: <i>How useful do you find the feedback you receive from tutors?</i>
Response:

 Theme: Teaching and Learning
